

Steam Railroading Institute – Sealed Bid Auction

BID CLOSING DATE: Monday, February 19th, 2024 at 5:00 pm EST

To all interested parties:

The **Steam Railroading Institute** (SRI) has for auction, **Rail Equipment**, as listed on the attachment. The equipment will be sold on a competitive Sealed Bid, “AS IS – WHERE IS” basis. SRI makes no representations or warranties, express or implied, as to the quality, workmanship, design, merchantability, suitability or fitness for any particular purpose or any other warranty or representation express or implied. All equipment is located on SRI property at 405 South Washington St., Owosso, MI 48867.

Conditions of Auction:

1. Bidders must quote a firm price, trade offer, or combination of both for ***all three cars*** when placing a bid.
2. An award, if any, will be based on highest responsive, responsible, qualified bidder, as determined to be in the best interest of SRI.
3. SRI reserves the right to accept or reject any part or any and all bids received.
4. All awards are contingent on SRI obtaining the internal reserve bid amount for each car.
5. Equipment awarded under this Auction must be removed from SRI property within sixty (60) days of notification of award.
6. Failure to respond to an award letter within five (5) business days may void the award.
7. Transportation, switching, preparation or other charges incident to the movement of the cars from their present location will be the responsibility of the purchaser (“Buyer”). The cars must be removed from their present location by the Buyer, at Buyer’s risk. Preparation work to meet acceptable AAR interchange rules for movement in freight service must be performed by the Buyer. SRI will not be responsible for any required work on the equipment that is to leave SRI property.
8. Arrangements with a freight railroad for the movement of the equipment are to be made by the Buyer and all cost and risk associated with the movement are at the Buyer’s expense. Originating railroad is the Great Lakes Central Railroad, who will have connections to the Ann Arbor Railroad, Mid-Michigan Railroad, Huron & Eastern Railroad, Canadian National Railway, and CSX Transportation.
