November 19, 2011

Dear Friend of KRM,

The Kentucky Railway Museum needs your financial support in continuing its mission of preserving, displaying and operating the railroad equipment of Kentucky's railroad heritage. Over 30,000 visitors have enjoyed the displays of rail artifacts, the train rides and learned about railroad history this past year as well as enjoying the many special events and activities provided for children and families.

But the past several years have not been kind to KRM due to the decline in the National economy and the still difficult recovery from the flood of May 2010. Prospective donors like yourself will play a vital role in preparing for the programs, restorations and events of 2012 and beyond. Those of you who attended the Special Membership meeting in October are aware that KRM is pursuing major donors and new sources of income to make a more vibrant future for the display of railroad history and to provide the visitors to the Museum with a quality family experience. In the meantime, making your donation now is critically important to help KRM through the lean months of winter when there are no excursion operations.

We look forward to hearing from you. If you know of anyone with whom we can share this appeal and the positive benefits of KRM for the public, please notify us.

Sincerely,
KENTUCKY RAILWAY MUSEUM, INC.

Greg Mathews
Executive Director

OFFICIAL RAILWAY MUSEUM of the COMMONWEALTH OF KENTUCKY
