

Figure 1-2: Ownership of Freight Rail Lines in Massachusetts

Several MBTA lines are also used to move freight. Any lines shared by passenger and freight services have special constraints and challenges that need to be considered in planning for improved operations.

- Fairmount Line (Shared use with CSX)
- Fitchburg Line (Shared use with Pan Am and Pan Am Southern)
- Framingham/Worcester Line (Shared use with CSX)
- Franklin Line (Shared use with CSX)
- Greenbush Line (Shared use with the Fore River Railroad)
- Haverhill Line (Shared use with Pan Am)
- Lowell Line (Shared use with Pan Am)
- Middleborough/Lakeville Line (Shared use with CSX)
- Newbury/Rockport Line (Shared use with Pan Am as far north as Salem)
- Providence/Stoughton Line (Shared use with CSX)
- Foxboro — Special Events (Shared use with Mass Coastal/CSX and the MBTA)
