HIAWATHA - NOTHING FASTER ON RAILS

This is it! After a long wait, it is finally arriving!! Our second volume:
Hiawatha - Nothing Faster On Rails is nearing release.

Our second volume covering the streamlined, lightweight passenger cars and trains of the Chicago, Milwaukee, St. Paul and Pacific Railroad, "The Milwaukee Road," and the locomotives that pulled them from the "ribbed" era on the railroad of 1936-1942.

Pre-production photo

For a **very limited time** you can reserve your copy of this \$99.95 book and get **free** domestic shipping, (a \$10 value) for only \$84.95! **That's a \$25 savings for pre-ordering!** This is a very limited press run, so do not delay, order yours today for late 2014 delivery. This special offer ends December 1, 2014

Hiawatha - Nothing Faster On Rails is a deluxe, hard cover, spiral bound book, detailing the ongoing development of lightweight passenger car construction by the Chicago, Milwaukee, St. Paul & Pacific Railroad.

- More than 250 pages, 11" x 14".
- Over 347 B&W and 20 Color photographs, most never before published.
- Over 105 drawings illustrating: The development of the Milwaukee Road's second, third and fourth lightweight - high speed trains: the *Hiawatha* of 1936, 1939, and 1942.
- HO scale plans and 26 full color side elevations of all cars produced by the Milwaukee Shops 1936-1942, with later modified versions.
- Also included are the *Hiawatha's* locomotives in photographs and HO scale plans.
- A photographic pictorial of the *Hiawatha's* operation.
- Later modifications and assignments of the 1936-1942 passenger equipment.
- Rosters and typical train consists.
